Handling Services

ABOUT US

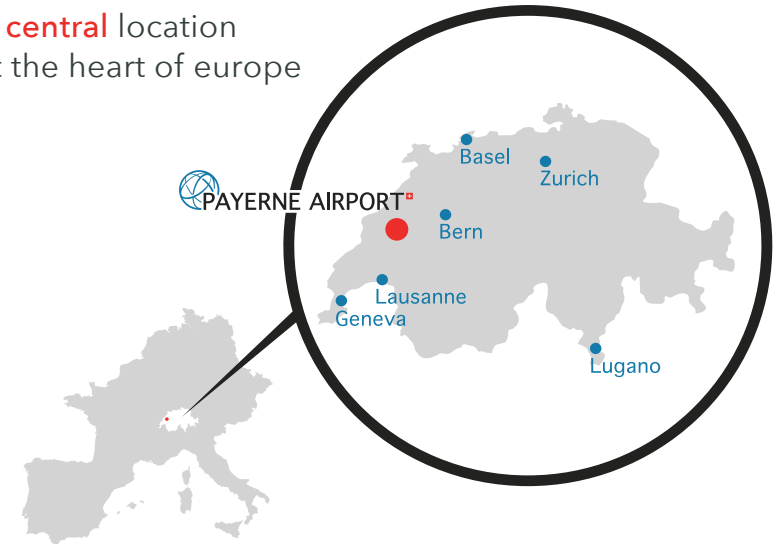

Terminal operations at Payerne Airport are handled by Speedwings Business SA. Our team of passionate and committed specialists are on hand 24/7 to respond to all your requests. Whether it's a straightforward flight you need, or something a little more complicated, we are at your disposal.

Our philosophy is based on a simple but important fact: **YOU** are the focus of our business.

Payerne Airport is located in direct proximity to the 2'800m long runway. It offers 6'600m² of hangars and 3'300m² of administrative area.

A **central** location
at the heart of Europe

The building hosts passengers lounges, immigration and customs, office space for companies and for the competence center as well as the civilian airport authority (swiss aeropole SA).

The airport is part of a technological and industrial park, covering more than 400'000m² of equipped area. It offers many possibilities for setting up.
